Government Agency #:	NHTSA: 14V400		
Field Action Description:	General Motors has decided that a defect which relates to motor vehicle safety exists in 2000-2005 MY Chevrolet Impala and Monte Carlo, 1997-2003 MY Chevrolet Malibu, 2004-2005 MY Chevrolet Malibu Classic, 1999-2004 MY Oldsmobile Alero, 1998-2002 MY Oldsmobile Intrigue, 1999-2005 MY Pontiac Grand Am, and 2004-2008 MY Pontiac Grand Prix vehicles. If the key ring is carrying added weight and the vehicle goes off road or experiences some other jarring event, it may unintentionally move the key away from the run position. If this occurs, engine power, power steering and power braking may be affected, increasing the risk of a crash.		
Safety Risk Description:	The timing of the key movement out of the "run" position, relative to the activation of the sensing algorithm of the crash event, may result in the airbags not deploying, increasing the potential for occupant injury in certain kinds of crashes. Until the recall has been performed, it is very important that customers remove all items from their key ring, leaving only the vehicle key. The key fob (if applicable), should also be removed from the key ring.		
Repair Description:	Dealers are to install two key rings and an insert in the key slot or a cover over the key head on all ignition keys, free of charge.		
Customer Action:	Until the recall has been performed, it is very important that customers remove all items from their key ring, leaving only the vehicle key. The key fob (if applicable), should also be removed from the key ring. DRIVE WITH ONLY A SINGLE KEY!

power steering and/or side airbag wiring. Plaintiffs claim that consumers overpaid when they bought or leased these vehicles. General Motors LLC ("New GM"), the Motors Liquidation Company GUC Trust ("the GUC Trust") and the Motors Liquidation Company Avoidance Action Trust ("the AAT") deny these allegations. Plaintiffs, the GUC Trust, New GM and the AAT have agreed to a settlement to avoid the risk and cost of further litigation. **The purpose of this notice is to inform you of the proposed settlement and your legal rights.**

Who Is Included? The proposed settlement class includes all persons (individuals, businesses and organizations) who, at any time on or before GM's announcement of the 2014 recalls, owned, purchased, or leased a vehicle subject to any of the recalls in the United States, or its territories and/or possessions. Daily rental fleet businesses, governmental entities and certain other persons are not included. You were mailed this notice because you may be a class member. Go to www.GMIgnitionSwitchEconomicSettlement.com, or call 1-877-545-0241, to see if your GM vehicle is covered by the settlement.

What Does the Settlement Provide? If approved, a settlement fund of **\$121.1 million** will be established. Payment amounts to eligible class members will vary depending on which recall applied to their vehicle, settlement implementation costs, and the number of eligible class members who file claims.

How Can I Get a Payment? For details about the settlement, including the money available to class members and your eligibility to receive a payment, review the Long Form Notice and the Amended Settlement Agreement available at www.GMIgnitionSwitchEconomicSettlement.com. You must submit a claim online or by mail before the deadline which will be posted on the website, which will be no earlier than March 18, 2021.

Your Other Options. The Settlement will not include the release of any claims for personal injury, wrongful death or actual physical injury. However, if you want to keep your right to sue New GM, the GUC Trust and other parties about the economic loss claims, you must exclude yourself from the class. Your request must be postmarked by **October 19, 2020**. If you exclude yourself, you cannot receive the benefits provided by the settlement. **IF YOU DO NOT EXCLUDE YOURSELF AND THE SETTLEMENT IS APPROVED, YOU WILL BE BOUND BY THE RELEASE, WAIVER AND COVENANT NOT TO SUE.** If you stay in the class, you may object to the settlement – that is, tell the District Court why you don't like the settlement. Your Objection must be postmarked by **October 19, 2020**. Information about how to exclude yourself or object to the settlement is available on the website. The District Court will hold a hearing on December 18, 2020 at 9:30 a.m. eastern to consider whether to approve both the settlement and attorneys' fees and expenses (up to a maximum of \$34.5 million). The attorneys' fees and expenses amount will not be deducted from the settlement fund. You may appear at the hearing, either yourself or through an attorney hired by you, but you do not have to. For more information, call or visit the website below.
